CALENDAR PAGE

An uncommon sight in 1988 would be the white over grey scheme sported by this CP-140 Aurora based at CFB Greenwood, Nova Scotia. This Aurora (140106) is making a low and slow flypast with everything hanging, at the London International Air Show in June 1984.

CREDIT PAGE

Seen departing CFB Trenton in September is this CC-130H (130330) of 435 Squadron in Edmonton. This CC-130 was one of the first two Canadian Hercules to carry a variegated camouflage scheme, prior to adoption of the current colours.

We would like to thank everyone who sent in photographs for our calendar. Thanks especially to Chris Aleong, Graham Mansell, Richard Rochon, Steve Sauve and Marc-Andre Valiquette for the photos that we used. Please try to send duplicate copies of colour slides only, as they seem to give the best reproductions. Thank you for your support.
